

Project Flow

Date	15 November 2022
Team ID	PNT2022TMID14797
Project Name	Visualizing and Predicting Heart Diseases with an Interactive Dash Board.

IBM Cloud Account

The image displays the IBM Cloud account interface. At the top, the IBM logo is on the left, and a user profile icon and menu icon are on the right. Below the logo, navigation links for 'My IBM', 'Profile', and 'Billing' are visible. The user's email, 'geffrey1710@gmail.com', is shown on the right. The main section is titled 'Products' and features a 'Trials' subsection with '2 Offerings'. Two trial cards are shown: 'Cognos Analytics on Cloud Trial for Students' (Active, Expires on 18 Sept 2023) and 'IBM Cloud' (Active, Expires on 2 Jan 2023). Each card has 'Launch' and 'Manage' buttons. A 'View catalog' button is also present. A footer section contains links for 'Contact', 'Privacy', 'Terms of use', and 'Accessibility', along with 'India - English' and 'Cookie Preferences'. Below this is a detailed dashboard view with a search bar, 'Catalog', 'Manage', and 'Geffrey N's Account' tabs. The dashboard includes a 'For you' section with six cards: 'Build' (Explore IBM Cloud), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), 'Learn about IAM Roles' (5 min), and 'Build a virtual machine' (7 min). A 'News' section on the left lists recent updates, and a 'Recent support cases' section is on the right. The dashboard also features 'Planned maintenance' and 'IBM Cloud status' sections.
